

## INTERNATIONAL CONFERENCE ON INFORMATION COMMUNICATION & MACHINE INTELLIGENCE

### International Conference on Information, Communication & Machine Intelligence

December 12 - 14, 2023, SMIT, Sikkim, India

#### About ICMI

ICMI-2023 aims at bringing academicians, researchers, engineers, practitioners, and motivated student under one umbrella so that exchange of new ideas and recent developments, novel research results, and modern practices in communication, cloud computing big data and related areas can take place. Healthy discussions, relevant information sharing, and sharing of experiences with novel technologies are expected to happen during ICMI-2023. ICMI-2023 also aims at creating a common platform for motivating people through research and development activities in the areas of communication, cloud computing, big data and relevant fields can accelerate, so that this platform becomes able to contribute towards the growth of the society as a whole.

#### Contributions are sought in the following areas (not limited to):

- Computer Vision and Image Processing.
- Networking and Data Communications.
- Cyber Security and Data Forensics.
- Artificial Intelligence, Machine Learning, and Deep Learning.
- Sequential, Parallel, Distributed and Cloud Computing.
- Human Computer Interaction, Mechatronics and Robotics.

The proceeding of the conference will be published by Springer LNCS (Approval Awaiting).

#### Paper Submission Guidelines:

Manuscripts offering high quality original and unpublished research, case studies and implementations are solicited. Full paper manuscripts must be in English as per Springer LNCS format.
